

Want to be part of a team that does more than just Law Enforcement? This is the job for you.

Brown County Water Improvement District #1 has an opening for Lake Patrol Officer.

Patrol Lake, Parks, Watershed, District owned land and 97 miles of shore line with over 1000 docks. Work to keep all water activities safe. Help maintain the beauty of areas around the dam and property owned by the District. Assure water quality through environmental enforcement and education on Lake Brownwood and its watershed which provides drinking water for Brown County. Must be able to work with the public during special events around the lake and work well with other Law Enforcement agencies. Experience operating a boat is desired but not required. Must be able to swim.

Benefits include:

10 paid Holidays, plus two floating holidays per year.

Paid sick leave and vacation days accrued monthly.

BCBSTX health and dental Insurance.

Retirement plan.

Law Enforcement Certificate pay.

Uniform shirts and Duty gear provided.

To apply please call 325-643-2609 or apply in person at 501 E. Baker Street Brownwood, TX. or visit bcwid.org. Resumes alone will not be accepted.
