Fulton is a small, coastal town, off the Gulf of America, located in Aransas County. To the south, the city of Fulton is bordered by Rockport, the county seat. Corpus Christi is approximately 32 miles to the southwest and Port Lavaca is 49 miles to the northeast. Fulton is most well known for being the home of Oysterfest, which occurs annually in March.

Fulton PD is currently in the process of expansion and are looking for officers who are ready to come make a difference and accept the challenges that Fulton faces.

Fulton is primarily a retirement/vacation town. As such, the population and call volume will fluctuate, depending on the seasons, events, and holidays.

While the Town of Fulton may primarily be a retirement community, the PD does not have a 'retired-on duty mindset'. Fulton PD is highly encouraged to be community-based policing and highly encourage health and wellness as well as a very well work/family balance.
