After completion of some basic training, TCOLE Rule 219.2 allows eligible applicants to take the State Licensing Exam based on their prior service as Out of State Officers. This preliminary application will help us determine if you have the minimum required training and service time to be eligible for reciprocity under TCOLE Rule 219.2. Further instructions will be sent to those who qualify.

The length of previous service time and the date of your last active appointment will determine how much basic training you must complete to earn an endorsement to take the State Licensing Exam. Do not make career or life-changing decisions prior to completing the entire application process. Incomplete or incorrect forms and illegible documents will be automatically rejected and returned to the applicant.

It is highly recommended that before submitting this preliminary application you review the Minimum Standards for Initial Licensure (Rule 217.1), which is posted under “Help and Resources” on our website at: www.tcole.texas.gov All applicants (regardless of past service) must meet every prerequisite listed there.

One of those mandatory requirements is to submit your fingerprints through “Fingerprint Application Services of Texas (FAST). A detailed instruction form is included below. If you have additional questions, call (512) 936-7700. If you do not have a FAST location in your area, please call our office to have a FAST application plus hard cards mailed to you.

PLEASE READ THE FOLLOWING CAREFULLY

SERVICE TIME AND COURSE REQUIREMENTS: Do not start any of the training listed below prior to your application being approved by TCOLE. Training completed prior to approval will not be credited.

Note - if you have less than 10 years of full-time service AND more than 10 years from last full-time appointment (TCOLE uses the END date of your last full-time appointment), you must attend an in-person Basic Peace Officer academy in Texas.

If your application is approved, you will receive a confirmation email and you can begin to complete the above courses.

Once approved, you will have 180 days to complete all coursework. If the time expires, you will be required to begin the application process again, including the FAST process.

Failure to pass after the last remaining attempt will require you to retake a basic licensing course before being issued another endorsement. Failure to complete all attempts in the allotted time will require you to complete the basic licensing course to receive another endorsement. Please refer to Rule 219.1(e).
Individuals from other U.S. states must:

1. provide proof of successful completion of a state POST-approved (or state licensing authority) basic police officer training academy with equivalent course topics and hours of training at the time of initial certification or licensure;

2. have honorably served (employed, benefits eligible) as a sworn, full-time paid peace officer for 2 continuous years. Only state POST approved service time will be recognized. Service time applied to this section must have been obtained following completion of a state POST approved basic training course;

3. be subject to continued employment or eligible for re-hire (excluding retirement);

4. the applicant’s license or certificate must never have been, nor currently be in the process of being, surrendered, suspended, or revoked; and

5. have a copy of all their military discharge(s) (DD-214) (if applicable). Individual has never received a dishonorable discharge.

Required Documents to Accompany the Application to Determine Eligibility:

1. A copy of the basic training certificate with hours listed. If hours are not listed on the certificate, documentation of hours completed must accompany the certificate (Reserve, part time, or auxiliary training is not accepted);

2. A copy of the police officer license or certificate issued by the state POST;

3. A statement from the state POST revealing any disciplinary action(s) that may have been taken against any license or certificate issued by that agency or any pending action; or that no disciplinary action has been taken at any time on your license or certification;

4. A statement from your employing agency(s) stating full time service as a peace officer. Exact service dates are required. (Reserve or auxiliary peace officer training is not accepted; probationary officer time prior to completion of an approved basic police officer training academy is not accepted);

5. A copy of your valid state-issued driver’s license; and

6. A copy of all your military discharge(s) (DD-214) (if applicable).

The Commission may request that applicants submit a copy of the Basic and Advanced Training Curriculum for equivalency evaluation and final approval.

If you have less than 10 years of cumulative full-time service, use the Chart below, with your date of academy graduation, to determine eligibility based on basic peace officer academy length.
